Program Information:

The Boys & Girls Club of Moorpark's After School Programs provide supervised indoor and outdoor activities. All program participants are required to follow all school rules and the Boys & Girls Club of Moorpark's Code of Conduct.

Students will be provided time to complete homework assignments and we provide recreational activities to keep our students busy after school. We also have a full set of student textbooks in our room for student use during program hours.

Students in our program must report directly to our classroom immediately after school and will not be dismissed from our program until a parent/guardian arrives to sign them out. For safety, students may not sign themselves out this school year.

The After School Program is a drop-in program and there are no attendance requirements.
We are unable to provide supervision after 6:00pm and it is understood that a late fee of $1.00 per child is charged every minute after 6:00pm. If you are unable to pick your child up before 6pm, please make other arrangements.
All Boys & Girls Club of Moorpark's memberships expire on December 31, each year.
