2019-2020 School Year - CCPM Registration

After School Program for 6th - 8th grades only

Please sign below to request your child's space in our after school program for the 2019-2020 school year. *Participants must meet all program requirements, a current Boys & Girls Club of Moorpark membership application must be on file, and all program fees must be current before your child will be considered for the CCPM program.*

Enrollment in this program is not guaranteed and is not first come-first served. Previous enrollment (and attendance), academic need and family need will all be considered along with the date the application is received by our office.

Families will be notified by EMAIL by June 28th 2019 of their student's official enrollment. If there is no reply to our email, your child's space may not be secured for the next school year.

The After School Program's MONTHLY fees are \$99/month/student for one to five days each week and must be paid in advance. Payments are due before the 1st of each month and you may pre-pay more than one month at a time. Space is limited and only full payment secures enrollment in this program. Failure to pay in advance may result in your child being dropped from this program. Please contact our office for scholarship rates and any payment arrangements. Program hours are after school until 6:00pm.

There are no refunds unless our main office is notified at least 5 business days before the start of the month.

By signing below, you agree to the terms of enrollment for the CCPM program.
